

## Initial concept of the PhD thesis – model

First page:

- 1) candidate first and last name,
- 2) proposed title of the PhD thesis,
- 3) discipline (in case of interdisciplinary dissertation – disciplines) in which the PhD thesis will be prepared,
- 4) thematic scope of the PhD thesis, including the definition of the research problem.

Second page:

- 5) description for choosing the subject of the PhD thesis,
- 6) scope of required scientific research
